Step off 1:00pm Sharp**

This year's parade is already shaping up to be bigger than ever with the town of Orange's Bicentennial year. Your organization or business can be a part of the parade even without a float. You may opt to just march or have some form of equipment or signage for your group announcing who you are.

The parade route this year will start on South Main St. and end at Mahar Regional High School, approximately 2 miles.

In an effort to keep things as organized as possible we are asking participants to fill out the attached form at the bottom of this letter and return to:
